

Important tips for clients to avoid typical investment errors:

1. Beware of schemes that assure unreasonably high returns.
2. Never trust any written or oral promises assuring guaranteed returns in equity and derivatives markets.
3. Always have full knowledge about the product you intend to invest in.
4. Do not invest in any schemes run by an entity that does not have SEBI registration.
5. Never make cash payments to the stock broker.
6. There are risks associated with trading in Future & options (F&O). Invest only if you are aware of the product and its risks
